On weekends, the park and FOL truly comes alive with a Live Nativity, camel rides, romantic carriage rides, wagon rides and food trucks.

And if you're truly wanting to make your trip memorable, many have found it the perfect place to propose. In fact, many couples get engaged at this venue every year and some, like myself, credit it with their walk down the aisle. With many restaurants to choose from you can choose romantic for special dates or a special occasion (hint, hint), or you can choose from many local favorites that provide really great food.

Weekend Wrap-arounds are great ways to add an extra night to your adventure and take in some of the great places to shop, eat, play and stay in Chickasha.

We have plenty of opportunities if you like to shop, as well as many popular lunch joints, like J&W Hamburgers, Paw Paws Hamburgers, Roy's BBQ and Jake's Rib. A great spot for lunch if you are here on Fridays, is Crazy 8s in the old Dixie building, which also houses the Grady County Historical Museum. For a sweet treat for two, try Liberty Drug's old soda fountain, both Crazy 8s and Liberty Drug are located on Chickasha Ave.

If you like to try Oklahoma wines, we are also close to two wineries located just 15 minutes away in Anadarko.

And if wine tasting isn't your thing, but you enjoy museums, two unique towns offer plenty of opportunity to take in the past. Take Hwy 81 to Duncan to learn more about the Chisholm Trail or jump on the turnpike and head to the Lawton area to learn more about our military and Native American history.

We hope this has given you some great ideas of how to spend a little time away from home and unwind with your sweetheart!

GREAT CITY. GREAT LIFE!
